

## **DESIGN, MANUFACTURE AND DISTRIBUTION**

serving the gulf region for over 20 years

We specialize in customized design and manufacture of quality plush toys, garments and resort products for travel retail, tourist destinations, hotels and corporations.

We offer manufacture of single lines or entire ranges. With hundreds of projects under our belt, we provide a complete service from conception to delivery.

### **WHO WE ARE**

From humble beginnings, opening our doors in Dubai in the early 1990s, we have followed a steady path of growth to become a significant market leader in the development of bespoke merchandise in the Gulf region and beyond.

### **WHY WE DO IT**

Our mission is to provide affordable customized merchandise to our clients, to build on our reputation for being responsive and communicative, and to provide security in the knowledge that we will deliver quality products.

### **WHAT WE DO**

We produce custom and private label merchandise to suit every project brief. We provide a complete service from conception to delivery and take care of all the challenging, stressful bits in-between.

Long-term relationships with our niche manufacturers allow us to oversee and control every detail during the production process.
